# TORN

Natalie Imbruglia

## verse

I thought I saw a man brought to life  
He was warm, he came around and he was dignified  
He showed me what it was to cry

Well, you couldn't be that man I adored  
You don't seem to know  
Seem to care what your heart is for  
But I don't know him anymore

## pre-chorus

There's nothing where he used to lie  
The conversation has run dry  
That's what's going on  
Nothing's fine, I'm torn

## chorus

I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on the floor

Illusion never changed  
Into something real  
I'm wide awake and I can see  
The perfect sky is torn  
You're a little late, I'm already torn

## verse

So I guess the fortune teller's right  
Should have seen just what was there  
And not some holy light  
It crawled beneath my veins

## pre-chorus

And now I don't care, I had no luck  
I don't miss it all that much  
There's just so many things  
That I can touch, I'm torn

## chorus

I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on the floor

Illusion never changed  
Into something real  
I'm wide awake and I can see  
The perfect sky is torn  
You're a little late, I'm already torn, torn

## pre-chorus

There's nothing where he used to lie  
My inspiration has run dry  
That's what's going on  
Nothing's right, I'm torn

## chorus

I'm all out of faith  
This is how I feel  
I'm cold and I am shamed  
Lying naked on this floor

Illusion never changed  
Into something real  
I'm wide awake and I can see  
The perfect sky is torn

I'm all out of faith  
This is how I feel  
I'm cold and I'm ashamed  
Bound and broken on the floor  
You're a little late, I'm already torn, torn

# JUST A GIRL

## No Doubt

### verse

Take this pink ribbon off my eyes  
I'm exposed and it's no big surprise  
Don't you think I know exactly where I stand?  
This world is forcing me to hold your hand

### chorus

'Cause I'm just a girl, oh, little old me  
Well, don't let me out of your sight  
Oh, I'm just a girl, all pretty and petite  
So don't let me have any rights

Oh, I've had it up to here

### verse

The moment that I step outside  
So many reasons for me to run and hide  
I can't do the little things I hold so dear  
'Cause it's all those little things that I fear

### chorus

'Cause I'm just a girl, I'd rather not be  
'Cause they won't let me drive late at night  
Oh, I'm just a girl, guess I'm some kind of freak  
'Cause they all sit and stare with their eyes  
Oh, I'm just a girl, take a good look at me  
Just your typical prototype

Oh, I've had it up to here  
Oh, am I making myself clear?

### bridge

I'm just a girl  
I'm just a girl in the world  
That's all that you'll let me be

### chorus

Oh, I'm just a girl, living in captivity  
Your rule of thumb makes me worrisome  
Oh, I'm just a girl, what's my destiny?  
What I've succumbed to is making me numb  
Oh, I'm just a girl, my apologies  
What I've become is so burdensome  
Oh, I'm just a girl, lucky me  
Twiddle-dum, there's no comparison

Oh, I've had it up to  
Oh, I've had it up to  
Oh, I've had it up to here

# DANCING IN THE DARK

Bruce Springsteen

## verse

I get up in- the evenin'  
And I ain't got nothin' to say  
I come home in- the mornin'  
I go to bed -feelin' the same way  
I ain't nothin' but tired  
Man, I'm just tired and bored with myself  
Hey there, baby, I could use just a little help

## chorus

You can't start a fire  
You can't start a fire without a spark  
This gun's for hire  
Even if we're just dancin' in the dark

## verse

Messages keeps gettin' clearer  
Radio's on - and I'm movin' 'round my place  
I check my look in the mirror  
Wanna change my clothes, my hair, my face  
Man, I ain't gettin' nowhere  
I'm just livin' in a dump like this  
There's somethin' happenin' somewhere  
Baby, I just know that there is

## chorus

You can't start a fire  
You can't start a fire without a spark  
This gun's for hire  
Even if we're just dancin' in the dark

## bridge

You sit around gettin' older  
There's a joke here somewhere and it's on me  
I'll shake this world off my shoulders  
Come on, baby, the laugh's on me

## verse

Stay on the streets of this town  
And they'll be carvin' you up alright  
They say you gotta stay hungry  
Hey baby, I'm just about starvin' tonight  
I'm dyin' for some action  
I'm sick of sittin' 'round here tryin' to write this book  
I need a love reaction  
Come on now, baby, gimme just one look

## chorus

You can't start a fire  
Sittin' 'round cryin' over a broken heart  
This gun's for hire  
Even if we're just dancin' in the dark  
You can't start a fire  
Worryin' about your little world fallin' apart  
This gun's for hire  
Even if we're just dancin' in the dark

Even if we're just dancin' in the dark  
Even if we're just dancin' in the dark  
Even if we're just dancin' in the dark

Hey baby

# LOVE IS IN THE AIR

John Paul Young

## verse

Love is in the air, everywhere I look around  
Love is in the air, every sight and every sound

And I don't know if I'm being foolish  
Don't know if I'm being wise  
But it's something that I must believe in  
And it's there when I look in your eyes

## verse

Love is in the air, in the whisper of the tree  
Love is in the air, in the thunder of the sea

And I don't know if I'm just dreaming  
Don't know if I feel safe  
But it's something that I must believe in  
And it's there when you call out my name

## chorus

Love is in the air  
Love is in the air  
Oh, oh, oh, oh

## verse

Love is in the air, in the rising of the sun  
Love is in the air, when the day is nearly done

And I don't know if you're illusion  
Don't know if I see truth  
But you're something that I must believe in  
And you're there when I reach out for you

## verse

Love is in the air, everywhere I look around  
Love is in the air, every sight and every sound

And I don't know if I'm being foolish  
Don't know if I'm being wise

## verse

Her name is Noelle  
I have a dream about her  
She rings my bell  
I got gym class in half an hour  
Oh, how she rocks  
In Keds and tube socks  
But she doesn't know who I am  
And she doesn't give a damn about me

## chorus

'Cause I'm just a teenage dirtbag, baby  
Yeah, I'm just a teenage dirtbag, baby  
Listen to Iron Maiden, baby, with me, ooh

## verse

Her boyfriend's a dick  
And he brings a gun to school  
And he'd simply kick  
My ass if he knew the truth  
He lives on my block  
And he drives an IROC  
But he doesn't know who I am  
And he doesn't give a damn about me

## chorus

'Cause I'm just a teenage dirtbag, baby  
Yeah, I'm just a teenage dirtbag, baby  
Listen to Iron Maiden, baby, with me, ooh

It's prom night and I am lonely  
Lo and behold  
She's walkin' over to me  
This must be fake  
My lip starts to shake  
How does she know who I am?  
And why does she give a damn about me?

I've got two tickets to Iron Maiden, baby  
Come with me Friday, don't say maybe  
I'm just a teenage dirtbag, baby, like you

# AFRICA

## Toto

### verse

I hear the drums echoing tonight  
But she hears only whispers of some  
quiet conversation  
She's comin' in, 12:30 flight  
Her moonlit wings reflect the stars  
that guide me towards salvation  
I stopped an old man along the way  
Hopin' to find some old forgotten words  
or ancient melodies  
He turned to me as if to say  
"Hurry, boy, it's waiting there for you"

### chorus

It's gonna take a lot to drag me away from you  
There's nothin' that a hundred men or more could  
ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had,  
ooh-hoo

### verse

The wild dogs cry out in the night  
As they grow restless longing for some  
solitary company  
I know that I must do what's right  
Sure as Kilimanjaro rises like Olympus above the  
Serengeti  
I seek to cure what's deep inside  
Frightened of this thing that I've become

### chorus

It's gonna take a lot to drag me away from you  
There's nothin' that a hundred men or more  
could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had,  
ooh-hoo

Hurry, boy, she's waiting there for you

### chorus

It's gonna take a lot to drag me away from you  
There's nothin' that a hundred men or more  
could ever do  
I bless the rains down in Africa  
I bless the rains down in Africa (*I bless the rains*)  
I bless the rains down in Africa (*I bless the rains*)  
I bless the rains down in Africa  
I bless the rains down in Africa  
(*ooh, I'm gonna take the time*)  
Gonna take some time to do the things we never had,  
ooh-hoo

# LOVE SHACK

## The B-52's

### intro

If you see a faded sign at the side of the road that  
says

Fifteen miles to the, love shack, love shack yeah

### verse

I'm headin' down the Atlanta highway  
Lookin' for the love getaway  
Headed for the love getaway, love getaway

I got me a car, it's as big as a whale  
And we're headin' on down to the love shack  
I got me a Chrysler, it seats about twenty  
So hurry up and bring your jukebox money

### chorus

The love shack is a little old place where  
We can get together  
Love shack baby  
A love shack baby

Love shack, baby love shack  
Love shack, baby love shack  
Love shack, baby love shack  
Love shack, baby love shack

### verse

Sign says, woo, stay away fools  
'Cause love rules at the love shack  
Well it's set way back in the middle of a field  
Just a funky old shack and I gotta get back

Glitter on the mattress  
Glitter on the highway  
Glitter on the front porch  
Glitter on the hallway

### verse

Huggin' and a-kissin', dancin' and a-lovin'  
Wearin' next to nothing 'cause it's hot as an oven  
The whole shack shimmies  
Yeah the whole shack shimmies  
The whole shack shimmies when everybody's movin'  
around  
And around and around and around

Everybody's movin', everybody's groovin' baby  
Folks linin' up outside just to get down  
Everybody's movin', everybody's groovin' baby  
Funky little shack  
Funky little shack

Hop in my Chrysler, it's as big as a whale  
And it's about to set sail  
I got me a car, it seats about twenty, so come on  
And bring your jukebox money

We can get together

# DREAMS

## Fleetwood Mac

### verse

Now here you go again  
You say you want your freedom  
Well, who am I to keep you down?  
It's only right that you should  
Play the way you feel it  
But listen carefully  
To the sound of your loneliness

### pre-chorus

Like a heartbeat drives you mad  
In the stillness of remembering what you had  
And what you lost  
And what you had  
And what you lost

### chorus

Oh, thunder only happens when it's rainin'  
Players only love you when they're playin'  
Say women, they will come and they will go  
When the rain washes you clean, you'll know  
You'll know

### verse

Now here I go again  
I see the crystal visions  
I keep my visions to myself  
It's only me who wants to wrap around your dreams  
And have you any dreams you'd like to sell?  
Dreams of loneliness

### pre-chorus

Like a heartbeat drives you mad  
In the stillness of remembering what you had  
And what you lost  
And what you had  
Ooh, what you lost

### chorus

Thunder only happens when it's rainin'  
Players only love you when they're playin'  
Women, they will come and they will go  
When the rain washes you clean, you'll know

### chorus

Oh, thunder only happens when it's rainin'  
Players only love you when they're playin'  
Say women, they will come and they will go  
When the rain washes you clean, you'll know  
You'll know  
You will know  
Oh, you'll know

# SLEDGEHAMMER

Peter Gabriel

## verse

You could have a steam train  
If you'd just lay down your tracks  
You could have an aeroplane flying  
If you bring your blue sky back

All you do is call me  
I'll be anything you need

## verse

You could have a big dipper  
Going up and down, all around the bends  
You could have a bumper car, bumping  
This amusement never ends

## chorus

I want to be – your sledgehammer  
Why don't you call my name  
Oh let me be your sledgehammer  
This will be my testimony

## verse

Show me round your fruit cakes  
'Cause I will be your honey bee  
Open up your fruit cakes  
Where the fruit is as sweet as can be

## chorus

I want to be – your sledgehammer  
Why don't you call my name  
You'd better call the sledgehammer  
Put your mind at rest

I'm going to be – the sledgehammer  
This can be my testimony  
I'm your sledgehammer  
Let there be no doubt about it

Sledge. Sledge. Sledgehammer

## bridge

I kicked the habit (*I kicked the habit*)  
Shed my skin (*shed my skin*)  
This is the new stuff (*this is the new stuff*)  
I go dancing in (*we could go dancing in*)

Oh won't you show for me (*show for me*)  
I will show for you (*show for you*)  
Show for me (*show for me*),  
I will show for you  
Yea, yeah, yeah, yeah, yeah, yeah, I do mean you

Only you, you've been coming through  
Going to build that power  
Build, build up that power, hey  
I've been feeding the rhythm  
I've been feeding the rhythm  
Going to feel that power, build in you

Come on, come on, help me do  
Come on, come on, help me do  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, you  
I've been feeding the rhythm  
I've been feeding the rhythm  
It's what we're doing, doing

All day and night, come on and help me do, come on  
and help me do  
Yea, yeah, yeah, yeah, yeah, yeah, I do mean you

# YOU SHOOK ME ALL NIGHT LONG

AC/DC

## verse

She was a fast machine, she kept her motor clean  
She was the best damn woman that I ever seen  
She had the sightless eyes, tellin' me no lies  
Knockin' me out with those American thighs  
Takin' more than her share, had me fightin' for air  
She told me to come, but I was already there  
'Cause the walls start shakin', the Earth was quakin'  
My mind was achin', and we were makin' it

## chorus

And you  
Shook me all night long  
Yeah, you  
Shook me all night long

## verse

Workin' double-time on the seduction line  
She's one of a kind, she's just a-mine, all mine  
Wanted no applause, just another course  
Made a meal outta me, and come back for more  
Had to cool me down to take another round  
Now, I'm back in the ring to take another swing  
That the walls were shakin', the Earth was quakin'  
My mind was achin', and we were makin' it

## chorus

And you  
Shook me all night long  
Yeah, you  
Shook me all night long  
It knocked me out that you  
Shook me all night long  
It had me shakin' and you  
Shook me all night long

## post-chorus

Yeah, you shook me  
Well, you took me

## guitar solo

## chorus

You really took me and you  
Shook me all night long  
Ah, you  
Shook me all night long  
Yeah, yeah, you  
Shook me all night long  
You really got me and you  
Shook me all night long

## outro

Yeah, you shook me  
Yeah, you shook me  
All night long

# DON'T STOP BELIEVIN'

Journey

## verse

Just a small town girl  
Livin' in a lonely world  
She took the midnight train going anywhere

Just a city boy  
Born and raised in South Detroit  
He took the midnight train going anywhere

## verse

A singer in a smokey room  
A smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on and on and on

## pre-chorus

Strangers waitin'  
Up and down the boulevard  
Their shadows searchin' in the night

Streetlights, people  
Livin' just to find emotion  
Hidin' somewhere in the night

## verse

Workin' hard to get my fill  
Everybody wants a thrill  
Payin' anything to roll the dice  
Just one more time

Some'll win, some will lose  
Some are born to sing the blues  
Whoa, the movie never ends  
It goes on and on and on and on

## pre-chorus

Strangers waitin'  
Up and down the boulevard  
Their shadows searchin' in the night

Streetlights, people  
Livin' just to find emotion  
Hidin', somewhere in the night

## guitar solo

Streetlights, people
